Key Characteristics

Professional, hard working and motivated individual who is very enthusiastic in starting software development work. I have experience of working in a variety of roles including as a construction operative, window and door installer, delicatessen assistant and as an environmental worker.

I have excellent problem solving, technical, customer service, communication, IT, programming, planning and organisational skills. I have undertaken continuous study throughout my working career to ensure my skills and qualifications are relevant. I am versatile and, as shown below, adapt to new roles and challenges easily. I have excellent team working skills with experience of working in fast paced environments.

Career Summary

2010-2019 A Gilligan Builders, Ballymount Drive, Ballymount, Dublin 12

Role Construction Operative/Installer

This was a full time and part-time role since 2010 and my duties involved working as a general construction operative on a number of house and school construction projects. I was responsible for groundwork, roofing and assisting the on-site tradespeople. I also assisted in the installation of weather glaze doors and windows.

2017-2018 Brendan McGee Construction, Monasterevin, Co Kildare

Role Construction Operative

This was a short term contract and I worked on a variety of construction projects in Dublin and Portlaoise.

2015-2017 Junction 14 Service Station, Monasterevin, Co Kildare

Role Delicatessen Assistant

My role involved working in the deli section where my duties included the preparation and serving of hot and cold dishes, sandwiches, wraps, salads, baked goods and rolls. I was responsible for maintaining all health and safety standards and ensuring that customers were served food promptly.

Career Summary Continued

2014-2015 Oxigen Environmental, Naas, Co Kildare

Role Environmental Refuse Collector

I worked as part of a team of environmental refuse collectors providing a refuse collection service to customers throughout county Kildare.
