Career Summary

2010-2019 A Gilligan Builders, Ballymount Drive, Ballymount, Dublin 12

Role Construction Operative/Installer

Full time and part-time role since 2010. A high number of duties and responsibilities required a fast learning mentality and excellent communicative skills. Problem-solving skills were essential for this position.

2017-2018 Brendan McGee Construction, Monasterevin, Co Kildare

Role Construction Operative

Short-term role in a very fast pace building site environment. The role involved work-flow management and working as part of big teams.

2015-2017 Junction 14 Service Station, Monasterevin, Co Kildare

Role Delicatessen Assistant

Key roles and repositories involved serving customers in a very fast pace and busy environment. Great communication and interpersonal skills were a necessity. Excellent teamwork and time management skills were developed in this role.

2014-2015 Oxigen Environmental, Naas, Co Kildare

Role Environmental Refuse Collector

Part of a team of environmental refuse collectors providing a refuse collection service to customers throughout county Kildare.

Hobbies and Interests

- 3D Printing(I assembled my own in 2018).
- Electronics, I tinker with Arduino and Raspberry Pi.
- Motorbike and driving on the country roads.
- Mixed Martial Arts - BJJ.
- Cycling - Cycled from Netherlands to France just for the fun of it.
- A lot of reading - I'm a real book-work, because books are the best way to learn something new.
